**2014 Teaching Science of Information - Workshop Schedule**
**BioEngineering Library on 4th Floor of Powell- Focht Bioengineering Hall**
Revised Mon Jul 21 12:55 PM

**Wednesday, August 6**
2:00 PM - 2:15 PM   Arrival and Introductions (All)
2:15 PM - 2:30 PM   Background about the CSoI and TUES grants (Deepak Kumar)
2:30 PM - 2:40 PM   The Science of Information Course (Deepak Kumar)
2:40 PM - 3:30 PM   SoI-related New Courses and Modules (10 minute presentations)
                    (Pulkit Grover, Anil Bamezai, Alex Sprintson, Karen Watanabe, Juan Guillermo Lalinde)
3:30 PM - 3:45 PM   Break
3:45 PM - 4:20 PM   Continue SoI-related New Courses and Modules presentations
                    (Haiyan Cheng, Yosi Shiberu, Shan Suthaharan, Matthew Wright)
4:20 PM - 4:35 PM  Developing a Data Science Course (Dianna Xu, Paul Ruvolo)
4:35 PM - 5:00 PM  Discussion by participants: what is already done at their institutions
                    (Participants)
                    Teams/discussion of plans for SoI offerings at their institutions.

**Thursday, August 7**
2:00 PM - 2:15 PM   SoI Online Platform Demo, Course/Module Evaluation tool, and funding for
                    new courses (Brent Ladd and Mike Atwell)
2:15 PM - 3:00 PM   Teams plan courses that could be offered at their own institutions,
                    or team-taught across institutions (All)
3:00 PM - 3:30 PM   Discussion as a whole group:  Challenges, hurdles, opportunities,
                    multidisciplinary, cross-institutional, in offering a new course in Science of
                    Information (All)
3:30 PM - 3:45 PM   Break
3:45 PM - 4:15 PM   Teams meet to discuss and finalize their plans for new courses (Participants)
4:15 PM - 4:45 PM   Team Presentations:  potential offerings for Science of Information courses
                    (Participants; ~10 min. per team depending on number of teams)

5:00pm  Shuttle leaves for BBQ at the Beach from behind Powell- Focht Bioengineering Hall
